FLORA & FAUNA

Created in partnership with the American Kennel Club's Museum of the Dog in New York City, our *BEST OF BREED* collection is comprised of four exquisitely detailed hand-engraved motifs depicting popular dog breeds:

- *ENGLISH SETTER*
- *ENGLISH SPRINGER SPANIEL*
- *GOLDEN RETRIEVER*
- *POINTER*

The motifs in the collection are available either individually or as a set of four (sets include one Double Old Fashioned glass with each breed). Perfect as a gift for owners of the featured breeds, or simply for anyone who loves dogs, the *BEST OF BREED* collection is a real winner!
